Tender Notification No. 2 *of* 1939-40.

1. Sealed tenders will be received at the office of the Assistant Commissioner, Madhugiri Sub-Division, up to 2 P.M. on 28th February 1940, for sinking draw wells in the villages of Madhugiri Taluk as noted below.

2. Tenders in the annexed form and addressed to the Assistant Commissioner, in a sealed cover and superscribed as "Tender for well works at (village) .....of.....Taluk" and the name of the tenderer should also be superscribed on the top of the cover.

3. Each tender must be accompanied by a Treasury receipt of Rs. (noted below) as paid as earnest money to the treasury to the credit of the R. W. S. Funds in the name of the Assistant Commissioner, Madhugiri Sub-Division. The earnest money of the successful tenderer will be retained as security for the fulfilment of the contract. Such deposits in cash will not carry any interest.

4. The tenders will be opened in the presence of such of the tenderers as wish to be present in the Taluk Office of Madhugiri on 29th February 1940, at 1 P.M. by the Sub-Division Officer, Madhugiri. The final acceptance of the tender will rest with the Assistant Commissioner who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. The name of the successful tenderer will be posted on the notice Board in the Taluk Office, Madhugiri and in the Sub-Division Office, Madhugiri, in due course. Within eight days of the acceptance of the tender the successful tenderer will be required to execute an agreement on a stamped paper for the due performance of the contract in accordance with the estimate for the work. In default, his tender will be considered as cancelled and the earnest money deposited by him will be forfeited.

6. On acceptance of one of the tenders the earnest money in respect of rejected tenders will be returned to the depositors.

7. The contractor should at his own cost pay the charges on account of materials, implements, clearing sites, arrangements, if any, made for protecting works during inclement weather, water pumps, royalty and tolls.

8. The contractor is responsible for all accidents to workmen, etc., during the execution of the work and he must take precautions against all risk of accidents.

9. It is the business of the contractor to make his own arrangements for quarries and supply of materials.

10. Rates for non-tendered items shall be as per schedule rates. In all disputes of any kind, the decision of the Assistant Commissioner, Madhugiri Sub-Division, will be final and legally binding.

11. The work should be completed and handed over in a tidy condition to the Amildar, Madhugiri Taluk, by the end of May 1940, failing which the Assistant Commissioner may, at his discretion, levy a penalty which will ordinarily be claculated at 12 per cent per annum on the total outlay as liquidated damages for the period exceeded by him beyond the time fixed in the contract.

12. No claim for damages for delays by officers of the department in the execution of the work will be considered, whatever may be the reason for such delays. Contractors should bear this in mind when tendering for the work. Extension of time due to delays caused by the departmental officers will, however, be considered on the merits of each case. The contract should not be sublet.

13. The estimates will be open for inspection by the tenders in the Taluk Office, Madhugiri, during office hours on working days.
